Complete target supplied with a ground base and armoured support stand. Supplied with **1 BOSCH Professional 18V 5.0 Ah battery** and one EU 230 V AC / 50 Hz charger. Reference: **QS-PT2Z**.

Product description:

Predator® Thermal 2Z ELITE600 — 2 Heating Zones

The **QS-PT2Z** target from QUARTZ SYSTEMES is based on the **Predator® II ELITE600**. This anatomically proportioned standing shooter silhouette is designed for shooting training with thermal imaging sights. This revised, simplified version has been available since 2025 and uses the proprietary registered Predator® design.

Thermal signature: head and chest

The **2Z** version features **2 heating zones: head and chest**, creating a representative thermal signature on the target.

Setup and operation

Complete target supplied with a ground base and armoured support stand.

The system is designed for quick, straightforward setup. An indicator signals the start of the heating cycle, and a low-battery indicator shows when the battery is depleted.

Power supply

This version uses **1 removable battery** and is supplied with 2 **BOSCH Professional 18V 5.0 Ah batteries**. Runtime depends on battery capacity and operating conditions.

ELITE600 range

The ELITE600 range combines steel grade and thickness for high abrasion resistance. It is optimised for high-velocity projectiles, including 5.56 mm NATO / .223 Remington.

Included

- One Predator® Thermal 2Z ELITE600 target with 2 heating zones.
- A ground base and armoured support stand.
- 1 BOSCH Professional 18V 5.0 Ah battery.
- One EU 230 V AC / 50 Hz charger.

Optional accessory

The **KG-PTCWD** lightweight steel protector shields the timber post from bullet jacket and core fragments to help extend its service life. Sold separately.

Choose your version

- **1Z:** head — 1 battery.
- **2Z:** head and chest — 1 battery.
- **3Z:** head, chest and pelvic area — 2 batteries.

This product is the **2Z** version.
