KING GONG 10 To Down DUO

Product codes:

Reference: KG-10TDDUO
EAN13: -
UPC: -

Product features:

Product short description:

Armoured dual vertical shooting tree with two independent Ø150 mm reactive targets that rotate and descend on impact. Supplied with a complete support and 8 mm Hardox 600 protection. Ten alternating right/left impacts move each target down towards the ground. Includes two 8 mm Hardox 600 targets for 9 mm, 5.56 mm NATO and 7.62 mm NATO. Hot-dip galvanised support, white target finish, khaki protection finish and laser-marked calibre compatibility.
