KING GONG Bowling Pin Target 12 mm ELITE600

Product codes:

Reference: KG-BPT12
EAN13: -
UPC: -

Product features:

Material: Hardox 600
Thickness: 12mm

Product short description:

The KING GONG Bowling Pin ELITE600 is a high-resistance steel target available in 8 mm for handguns and 12 mm for long guns. Its bowling-pin shape offers a fun, visible impact zone ideal for plinking and dynamic shooting.

The dedicated support preserves the original bowling-pin profile, naturally deflects bullet fragments downward, and maintains the authentic pivot point for a realistic and safe hit reaction.

Maximum dimensions: height 38.1 cm, width 11.5 cm.

Product description:

The KING GONG Bowling Pin ELITE600 faithfully replicates the silhouette and behavior of a real bowling pin, delivering a realistic and dynamic shooting experience. Available in 8 mm for handguns and 12 mm for long guns, it is manufactured from ELITE600 steel to withstand intensive training sessions.

Its dedicated welded support, designed with the authentic bowling-pin profile, enhances safety by

deflecting bullet fragments and cores downward while preserving the original pivot point, ensuring a natural and responsive movement upon impact. Perfect for plinking, sport shooting, and transition drills, this target combines durability, realism, and shooting enjoyment.
