Product short description:

MTN 94 vivid green RV-281 permanent spray paint, 400 ml. Refresh steel targets, cover previous impact marks and apply stencil markings. Matt finish, high coverage and low pressure. Manufacturer shade: Laser Green.

Product description:

Paint for target maintenance and stencil markings

MTN 94 vivid green spray paint, shade RV-281, covers previous impact marks, refreshes steel target backgrounds and creates contrasting zones with KING GONG stencils.

- Reference: MTN-94RV281.
- 400 ml can of permanent synthetic paint.
- Opaque matt finish and high coverage.
- Low pressure for controlled application.
- Original spray cap included.

Application

Clean and degrease the surface. Remove corrosion from metal and apply a suitable primer if

required. Shake for about one minute after hearing the mixing balls. Spray thin coats from approximately 25 cm, allowing 10 minutes between coats. After use, turn the can upside down and spray briefly to clear the nozzle.

For temporary washable markings, choose MTN PRO chalk paint. Paint does not repair damaged targets.

Use in a well-ventilated area, away from energised electrical equipment. Hazardous: follow the precautions on the can.

Manufacturer shade: Laser Green.
