Product features:

Product short description:

Box of 100 Montana Colors disposable black nitrile gloves, size L. Latex-free, flexible and tear-resistant. For target painting and marking tasks and routine range equipment maintenance.

Product description:

Gloves for target preparation and maintenance

Montana Colors black nitrile gloves are useful for target repainting, stencil preparation and messy handling tasks at the range. Their flexibility helps when handling accessories.

Box of 100 disposable gloves. Size L only. Material: latex-free nitrile. Colour: black. Box weight: 0.6 kg.

Use a fresh pair for each task and replace damaged gloves. For paints, solvents or cleaning products, check the protection requirements stated on the product: chemical compatibility depends on the substance and contact time.
