

MTN PRO Glow-in-the-Dark Spray Paint 400 ml - Poltergeist

Product codes:

Reference: MTN-PHOSPH400

EAN13: -

UPC: -

Product features:

Product short description:

Montana Colors phosphorescent paint for stencilled shapes and markings on targets. Charges in light and glows in darkness. 400 ml aerosol, Poltergeist colour.

Product description:

Luminous markings for targets

Add numbers, outlines and stencilled shapes to targets for low-light exercises. The phosphorescent effect requires prior exposure to light.

Application

Prepare a clean, dry surface. Use a white base and thin coats. Test compatibility first. Brightness depends on application and light exposure.

Dedicated cap

This aerosol requires a specific female cap: do not assume compatibility with standard MTN caps.

Precautions

Flammable aerosol. Follow the label and safety data sheet; use in a ventilated area.
